DEDICATION

As we graduate, we will not forget our friends. A true friend never seeks recognition, but certainly deserves it. For the energy you so generously expended "behind-the-scenes," for your patient cooperation, and most importantly, for your friendship, we thank you. You have played a leading role in our development as individuals and as a class.

We wish to express our deep and lasting gratitude as we dedicate our own 1979 *Green Years* to you, Mr. Peter Case.

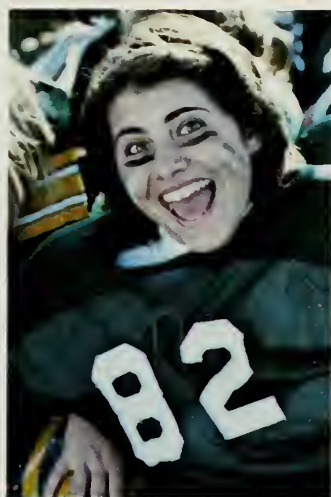

Peter Case

We have grown. Our metamorphosis has been a gradual ascent, every inch acquired through inner strength. At times we have wavered as on ice, awkwardly uncertain. At times we have floated freely across life's flawless surface, filled with graceful simplicity. And we have grown.

We have questioned ourselves and our world. We have paused to enjoy life's beauty, surrounding us with its reassuring continuity. We have experienced the inspiration and optimism of a sunrise, but can also see a small part of ourselves reflected in a new moon. We have changed much between these phases of ourselves.

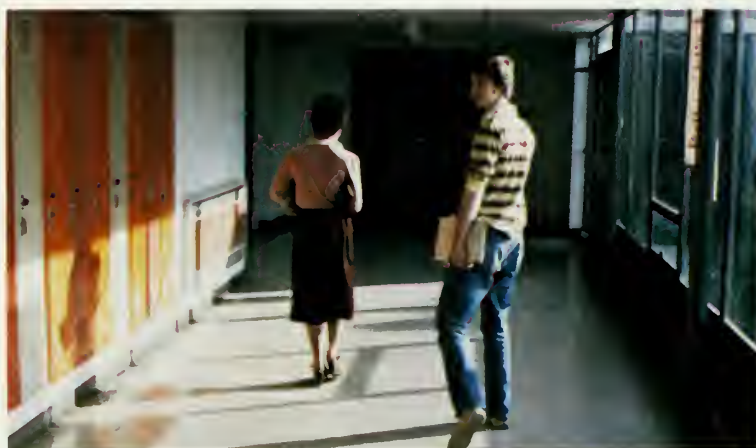

We have tied the powerful bonds of true friendship. As we have helped others to grow, we have forced ourselves to mature. With the strengthening of others, we have ascended even higher. Experience has given us a greater understanding of ourselves and of others.

We can see positive changes in ourselves. We have built upon the past, retaining our origin and further ornamenting it with a greater awareness of our self-identity. We have evolved into distinct individuals, setting long-range goals, centering our lives around a personal philosophy.

The benevolent but watchful administration at Westwood High School has undergone many modernizing transitions. The first woman administrator, Dr. Margaret McNeil, has been a pleasant and lively addition to the staff.

Under new School Committee policies, discipline has been tightened with new rules concerning student behavior and attendance. The administration has also been more liberal in supporting well-planned student activities, and in showing the deep concern for all facets of life at Westwood High that is essential in the growth of our "Green Pride"

GUIDANCE

The guidance department concerns itself with the goals and ambitions of each individual, as well as the student body as a whole. Each counselor helps the students to help themselves in furthering their future education or career. Under the direction of Mrs. Celia Vial, the department held a career workshop for juniors, and counselors speak to English classes about college admissions and the various testing programs.

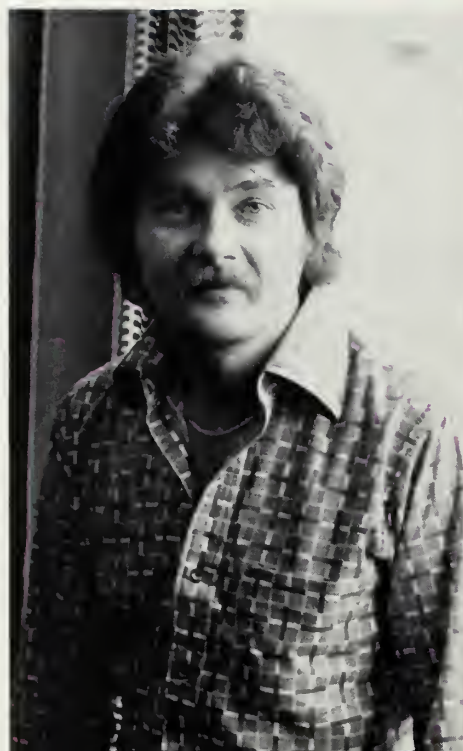

Guidance also refers to the personal adjustment of a student to the school atmosphere. Project Green, designed to help new students become involved in the academic and social activities of the school and town, was given the support of the guidance department.

Business Department

The Business Department, under the direction of Mrs. Marion Healy, offers students an opportunity to prepare themselves for college or a business-oriented career. Along with Mrs. Healy, Mr. Flahive, Mrs. Bergen, Mr. Nolan, and Mrs. Carey complete the staff. Courses cover all aspects of the business world, ranging from typing and shorthand to data processing and business English. In the future, students will certainly rely on the many practical skills acquired through our business department.

MATHEMATICS

James Pender
Head of Department

The math department has undergone a modernization, under the calculate control of Mr. James Pender, to keep up with the growing interest in mathematics. Because a higher percentage of students are taking math, team taught classes have given way to larger classes with one teacher. Computer interest has brought about the incorporation of more portable micro-computer. The math department offers courses ranging from basic math to calculus. At an level, students are encouraged to use the math seminar room for extra help. Students displaying mathematical interest and ability are encouraged to join the math team or participate in the state-wide Olympiad. The success of students in these activities reveals the developing interest in mathematics for the future.

Media Center

The active media center has continued to provide almost unlimited resources to the student body, including books, magazines, films, records, art prints, and educational games. Protection of these materials has been insured through the recent installation of a 3M Book Security System and the use of photo identification cards. As a result, the media center will be better able to remain the hub of the school, maintaining the high educational standard of which Westwood High is so proud.

Industrial Arts

The Industrial Arts program provides students with the opportunity to obtain a better understanding of all aspects of industry and technology. Courses, including metal working, wood working, graphic arts, and drafting, assist students in making informed and meaningful occupational choices, preparing them for entry into advanced trade and industrial or technical education programs.

Mr. Chicetti will be retiring this year after thirty-five years of outstanding service to Westwood High School and the community. We'll miss him and wish him a long and happy retirement!

EAT YOUR HEART OUT

Home Economics Department

All students, both male and female, have been encouraged to participate in one or more of the wide variety of courses offered by the Home Economics Department. Mrs. Knight, department head, has been enthusiastic in promoting the program of volunteer assistance in elementary schools, as well as the new and popular Child Growth and Development course additions, where students work with pre-school age children. Advanced classes have had the opportunity to make use of microwave ovens, enabling them to burn more food in less time!

English Department

Miss Frances Burns' hand remained on the tiller of her English schooner. Her crew included the honorable Mr. George Hancox, the poetic Miss Joan Dillon, the literary Mrs. Ellen Eberly, and the dramatic Miss Stephanie Shute.

Basic navigation was taught by Mr. David Sanfason and Mrs. Mary Bishop. Trimming the sails were Mr. Terrence Earls, Mr. Robin Tulloch, and Miss Patricia Curran. Sailing upwind were Mrs. Elizabeth Wentzell and Mrs. Evelyn Malm.

A new addition was the seminar room which kept many of the ships dinghies from running aground. Mrs. Eberly continued to steer the crew of "No Parentheses," and Miss Shute's production of ANYTHING GOES was a splashy success.

Foreign Languages

The Language Department, under the supervision of Mrs. Elaine K. Eaton, continues to offer all levels of courses in French, Spanish, German, and Latin. In and out of the classroom, students are encouraged to learn about world cultures. In the classroom there are films, slides, and occasionally, student plays. Out of the classroom, the department sponsors trips to restaurants and theaters. A successful event this year was the Whole World Celebration where students were able to sample exotic foods and participate in cultural activities.

SOCIAL STUDIES

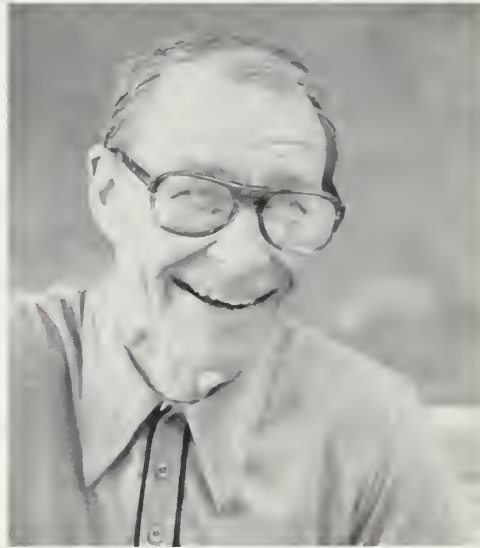

Social Studies

Under the direction of Mr. Robert Avakian, the Social Studies Department enjoyed an interesting and exciting year. The new addition of the Ascent of Man program gave students a fuller understanding of man's evolution, development, and contributions to this earth. The faculty of this department added to their students knowledge of society, history, and the way in which we live. This year's programs were highly successful and well received.

The Physical Education Department has served the important function of fostering the good sportsmanship of Westwood High students. Focusing on the enjoyment of and improvement in basic skills rather than on competition, the department has developed a range of student-chosen programs to suit every preference and ability. Strict attention has been paid to the new attendance regulations, and the staff has discovered a greater interest in weekly classes.

Art Department

Creativity at its best has been characteristic of the W. H. S. Art Department with Mr. Thomas DelSignore's superb guidance. The department offers courses for all students, whether amateur explorers or serious future artists, in areas ranging from metal design and sculpture to portfolio study and art history. The dedication of the teachers to their profession has resulted in finely trained students . . . who've had a lot of fun.

Mr. John Markarian
Director of Music

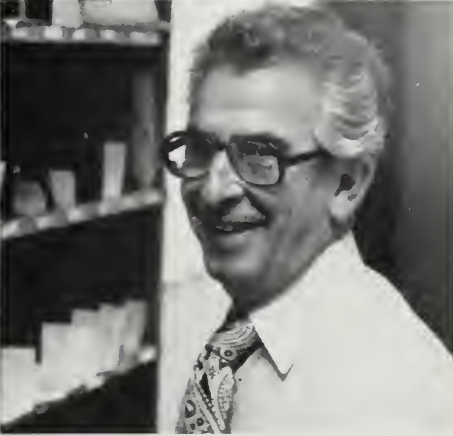

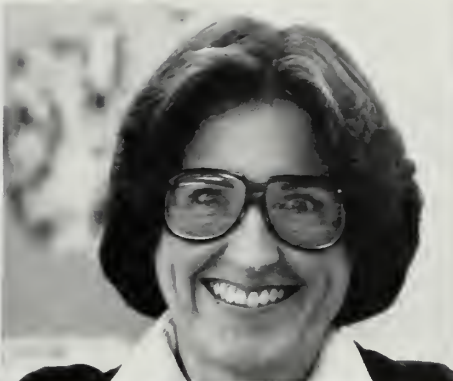

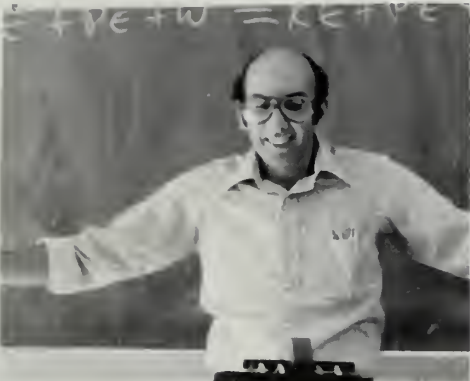

Music Department

The Music Department had another busy and successful year as each of the various ensembles contributed its own special talent at a number of events. The chorus filled the auditorium with delightful music at every concert. The Glee Club proved size isn't everything as they too performed excellently all year. The double quartet participated in approximately ten performances during the Christmas season alone. The concert band and orchestra also exhibited their talents at several concerts, including a weekend exchange with Warwick, Rhode Island. However, the most recognition should be given to the marching band who participated in several competitions and placed highly in all of them. Their efforts and musical talent give W. H. S. "green pride" both in the fall and the spring. The achievements of all the musical units led to an overall perfect medley of success for the music department as the year drew to an end.

SENIORS

For so long, we have trained our bodies and souls to climb, attempting to conquer the final ascent. Now, almost too soon, it is within reach. As we turn our eyes to scan the incline we have scaled, we will realize personal triumph.

In our victorious smiles are the hopes and prayers that we have eased the path for those who will follow. For now, we must turn to go, but in our hearts, we will often return ...

David Carlson

David,
You were only with us a short while, but your absence is one from which we shall never fully recover. You were as much a part of us as we were of you. It is not for us to question fate, but your quiet presence and warm smile will forever be missed.

Diane:
For those whose lives you touched — we will remember, for your light was strong and far-reaching, illuminating our lives. You gave us laughter and slipped away. Peaceful, quiet — your solitude filled all with a deep sense of meaning.

You will not be forgotten, Diane. Your memory is imprinted within our minds and when we are desolate and alone, your smile will be with us.

Diane Kirby

CLASS POEM

"The Lead"

We stand
Upon monuments of the past,
For man is ascending.
There is only so much
A person, a class, a generation
Can give — but give we must,
For the future is ours,
We have but to shape it.
The future will take form
Of our hands.
Our minds will mold tomorrow.
We are the generation of the twenty-first century.
What will become of us is buried,
Deep in the years to come.
What we make of ourselves today is what matters.
Man has advanced across the battlefields,
Across uncharted lands, across the moon
In a perpetual rise toward a future
Of peace, power and plenty.
We are the generation of the twenty-first century.
We have the will, the wisdom and the way
To achieve what no other generation has before us:
True Understanding.
Understanding of ourselves,
Understanding of our surroundings,
Understanding of the past —
Combined with love and compassion —
Will "light a lovely mile"
For those who share our road.

With understanding,
We will leave our mark
On the years to come
For truly, we are (in) "The Lead."

In a world of wonders and reasons, long searches and surprise discoveries, youth and age, we belong here. These corridors have become our own. Though we will tread them many more times, whether with books, sports equipment, or friends, the times that we have spent here growing will simplify that future.

As freshmen, sophomores, and juniors, we have sensed an ascending continuity each time we stepped through those blue doors to begin a new day at Westwood High ...

Sports

Practicing long, sweaty hours after school. Working with the team or on our own. Striving for coordinated perfection. Ascending the ladder of improvement each day, each week, each time we failed and didn't give up. Competing, not for the sake of winning the game or meet, but for winning a sense of inner satisfaction ... the true victory.

CROSS COUNTRY

The boys' and girls' cross country team, under the leadership of co-captains Mark Vogel and Paul Condrin, had another highly successful season finishing with an impressive 6-1 record. Furthermore, in the league meet both the boys' and girls' varsity teams captured first place trophies.

The top runner for the boys was senior Doug Crawford. In addition to placing fourth in the league meet, he turned in one of the best performances ever by a Westwood runner. Also leading the team on to victory were Mark Vogel, Paul Condrin, Gerry Loughlin, Mike Ferry, Phil Murphy, George Mason, and Steve Ausevich. In addition, the support of Mark Turley, Bill Palmer, and Jim Ryan also helped the cause.

Leading the girls on to victory were seniors Kathy Keefe and Laura Fry. In addition were Chrisy Kelly, Diana Petrakos, Valerie Allen, Sue Montambo, and Peggy Mason.

GOLF

The Golf Team finished the season placing second in the Tri-Valley League with an impressive 9-3 record. Mike Glynn and John Scales also made impressive showing in the State Qualifying matches held at the Oakley Country Club.

The team was described as fairly successful and consistent and looks forward to an even better season next year. Many thanks to Coach Raymond Kodzis for his many contributions to the team.

The girls volleyball team led by co-captains Tina Smith and Sharon Foster experienced a fairly successful season. With losses only to Holliston and Ashland (the team's toughest competition), the girls showed strength, sportsmanship and unity in their wins. Co-captain Tina Smith was voted Most Valuable Player and Eileen MacDonald was named Unsung Hero. Also to be recognized are Sharon Foster for her "vicious" spike and Jane Desisto for being a number one setter. Susan Heinrich added a few German touches to the game and played a fine season as well. The girls thank Coach Kathy Blaisdale and look for a better season next year.

SOCCER

Boys' Varsity Soccer

The 1978 WHS Varsity Soccer Team was led by the fine play of tri-captains Bill Gavin, Charlie Pappis, and Dennis Megley. The biggest victory of the season was a stunning upset over a tough Medfield club 2-1. Goalie Scott Hayes was spectacular with acrobatic saves and intelligent goal tending. Billy Gavin tallied for the Green Machine while the gamewinner was scored by Dennis Megley. The season was a total team effort.

Under the leadership of Coach Rice, the varsity (behind co-captains Maureen Donlon and Liz Towle) suffered a disappointing season with a record of 1-6-2, despite the talent on the team. However, it was enjoyed by all and the future of WHS field hockey looks promising as a large number of underclassmen played on Varsity and Junior Varsity.

Congratulations to the girls who were selected to the Daily Transcript All-Star Team: Maureen Donlon, Liz Towle, Janice Ihnatko, and Barbara Clement, who was also named as Most Sportsmanlike player. Maureen and Liz were also selected as Tri-Valley League All-Stars.

Seniors Mo, Liz, Judi, LeeAnn, Barb, Mary, Paula, Joan, Anita, and Linda thank Miss Rice for her time and patience and wish next year's team luck.

Also, a special wish for AFS student Kauru Chikushi who played on J. V.

Fabulous

Football — 1978

The football team had the most successful season in the history of WHS. With only one heartbreaking loss to Dover early in the season, the team just barely missed making it to the schoolboy Division 4 Superbowl game. They won more games than any other football team from Westwood High School and clearly proved their strength and versatility.

The season started with victories over Foxboro and Hopkington. In these two games, it was the defense led by Jim McCoy, Jack Kerivan, Paul McGovern and Kevin Powers that kept the opposition away from the goal line. After a victory under the lights at Ashland, Westwood went on to visit the Mohawks from Millis. Previous to this game, Millis had outslopped their opposition by an incredible margin of 103 to 3. Westwood was still in the game in the fourth quarter but was trailing 10-7. With two minutes left in the game, QB Pat O'Reilly hit Mark MacNamara over the middle with a pass. Mark caught the pass and was immediately hit by a Millis defender. Despite breaking three bones in his leg, he still managed to hang onto the ball and give Westwood one of its most exciting football victories ever.

This game seemed to give Westwood the momentum for the rest of the season. They coasted to five more victories, winning each game by two or three touchdowns. Another highlight of the season was a 32-3 Thanksgiving Day victory over Holliston. Jeff Scibilia was the star in this game as he caught 3 touchdown passes.

Many seniors contributed greatly to this team. Mike Fabiano proved to many that he is the best back that Westwood ever had. He accounted for almost 50% of the total offense and was a tremendous leader. Jack Kerivan and Kevin Powers anchored one side of a defense that could not be pushed back. These two, along with Paul McGovern and Jim McCoy led a defense that allowed only 35 points the entire season. On offense, senior QB Pat O'Reilly threw 11 touchdown passes. Jim McCoy led the team in receptions. Once he caught the ball, Jim was extremely difficult to bring down. Jeff Scibilia was second in Division 4 in touchdown receptions with 5. Jeff was the deep threat on the team. Paul McGovern was second in scoring on the team. He scored 3 touchdowns and kicked an incredible 17 extra points. The offensive line was anchored by Ed Huber and John McDermott. Ed and John consistently did their jobs week after week. Their steady play was main reason for the success of the offense. Joe D'Amelio also contributed to the offense with some excellent running. Senior defensive backs Jack Fannon, Tom Mulroy, and Kirt Doursonian were reasons why so few points were scored against the defense. Todd Francis was tough in his noseguard position on defense by stopping all ball carriers that came his way. Mark Wallace was a key defensive player who led the team in interceptions and fumble recoveries.

Nobody will forget the unity that this team had. . . . Mic coming late for practice . . . Gabe, Crunch, Mal, Barf, Wally, and Mike . . . Wiffle Wisdom . . . camp mono . . . up downs . . . "Hell Bent For Election" . . . "I'll tell you what" . . . SUCCESS!

With all the juniors coming back, led by co-captains Bill Crabtree and Chuck Brawley, the team should shine in '79. The togetherness, pride, and winning attitude of the team of '78 will be long remembered.

Boys' Winter Track

Well, it was another duplicate season for the boys' winter track team. With an unbelievable loss to Ashland, the boys team ended the TVL season with a record of 7-1. However, they were not to be stopped as they went on to the states, where as the smallest team in the Class C competition (Westwood was moved up from Class D), the boys totally wiped out their competitors and ran away with the Class C crown. Outstanding performances were turned in this season by Co-Captain Dan Watson and Tom Lindenmayer who both cleared 6'8" in the high jump, Buzzy Scarlata in the 300 and the 600, Co-Captain Doug Crawford in the 2-mile and the 1000, Mike Ferry in the mile, Ken Martin in the hurdles and David MacElhiney in the shot. The team continues to make amazing comebacks each year after consistently losing valuable seniors. Next year they hope for a season like this one and thank Coach Sanfason, Coach Tucelli, and Coach Cummings for their hours of coaching throughout the winter.

This year's girls were not just "members" of the boys winter track team: they formed a team of their own. Led by senior captain Kathy Keefe, the girls went on to dominate the entire Tri-Valley League. Outstanding performances were made by Chrissy Kelly who ran an unbelievable 5:09 mile at Harvard, Linda O'Brien with great 300 runs all through the season, Dori White who made the Patriot Ledger with her grueling 3/4 mile leg at the Class C relays, Valerie Allen who won the TVL meet in the 600, Maureen Donlon who dominated the TVL in the hurdles, and Jennifer Dresens who now holds the school record in the 1000. Others who should be recognized are Jane Mitchell in the 600, Diana Petrakos in the 2 mile, and Julie Bishop and Paula Ballatine in the 300. The girls hope to increase the team next year and wish to thank Coach Sanfason, Coach Tucelli, and Coach Cummings for their great coaching throughout the season.

Under the leadership of captains Mark Warren and Sam Seward and the coaching of first-year Varsity Coach Bob Bonn, the Boys' Varsity Basketball Team completed another successful season with a league record of 13-3 putting them in third place and an over-all record of 14-6. The boys qualified for the tournament once again, however, they were eliminated in the first

game against a tough Sharon team 68-58.

Highlights of the year were the usual rivalry games against Medfield. In the home-court game, the most memorable moment was when Medfield Coach Dave Gibbs and one of his boys tried to harass Westwood player Jim McCoy. Jim's defiance and cool thinking kept Westwood alive as they beat Medfield by a score of 57-51. Another memorable night was Gail Thwing Night on January 19th (with Dover-Sherbon as the visiting team). In honor of Coach Thwing, a fine man and an excellent coach, the game was attended by a large crowd, including former players of Coach Thwing.

Outstanding performances of the season were recognized with the selection of Tri-Valley League All-Star Sam Seward; and Daily Transcript All-Stars John MacLellan, Jeff Smith, and Captain Sam Seward.

With only three (three Westwood greats) seniors leaving: Sam Seward, Mark Warren,

and Craig Colpitts, the team of 1980 is sure to be strong with six varsity players returning.

GIRLS' BASKETBALL

This was the year of the champions and the girls' basketball set out to prove this was so. With determination and 94 straight wins backing them up, the girls faced Abington in the first game of the season. The team was defeated on the scoreboard but not in their hearts as they went on to dominate the TVL with a record of 18-0. During this time, co-captain Anne Deacon broke 1000 points making her one of the few WHS basketball stars to accomplish such a feat. Also, the team strengthened as a whole. The younger players grew in experience and the older ones in skill. In general the team became more unified and went on to defeat Wareham, Walpole, Rockland, Abington ("revenge"), Algonquin, and then finally, in one of the best played and most exciting games of WHS basketball, the team

defeated Ipswich at Holy Cross to win the state championship. Co-captain Lynn Walsh, Nancy Nee, Sue MacMullen, Claire McCoy, Elaine Nee, and Cheryl Aaron should be recognized along with Anne Deacon for their outstanding performances. The team would like to express their appreciation to Coach Kathy Delaney-Smith for her support and hours of coaching which brought the team to the championship, and to the many fans who cheered them on to success.

POTENTIAL

SKI TEAM

Due to the mild weather, the ski team experienced a slightly "off" season which consisted of only three meets. However, they consistently finished second in each meet with strong performances turned in by Nancy Rogers who was first in the league and scored the most points for the team and Jordan Stone who also scored many of the team's points. Led by co-captains Maureen Donlon and Rick Thompson, the team showed consistency in every meet. As a young team, it looks forward to an even better season of skiing next year (with more snow hopefully) and wishes to thank Coach Burr for a fun winter.

GYMNASTICS

The girls' gymnastics team experienced a tough season since its two co-captains Anita Murphy and Ellen Hanley were injured in mid-season. The team, however, continued competing successfully in various meets with Lauren Hill as perhaps the most valuable player on the team. The girls would like to thank their coach for a great season and look forward to more "balancing" and "vaulting" next winter.

Led by Tri-Captains Jerry Malloy, Tom Jacobs, and Bill Gavin, the Wolverine pucksters clinched the Tri-Valley League title after exciting games with rival Holliston. Faced with early 6:00 a.m. practices and the bitter cold of the Taber Rink, the squad worked hard to earn a position in the State Tournament only to be eliminated by Lynnfield in the first round.

Much credit is due the seniors who left the team this year after three years of competition. Also, many thanks to the loyal fans who braved the snowy Saturday nights and the cold rink to cheer the boys to victory.

BOYS' SWIM TEAM

The swim team this year, under the leadership of senior co-captains Denis Roche and Scott Shaughnessey, finished their season with a 5-4 record.

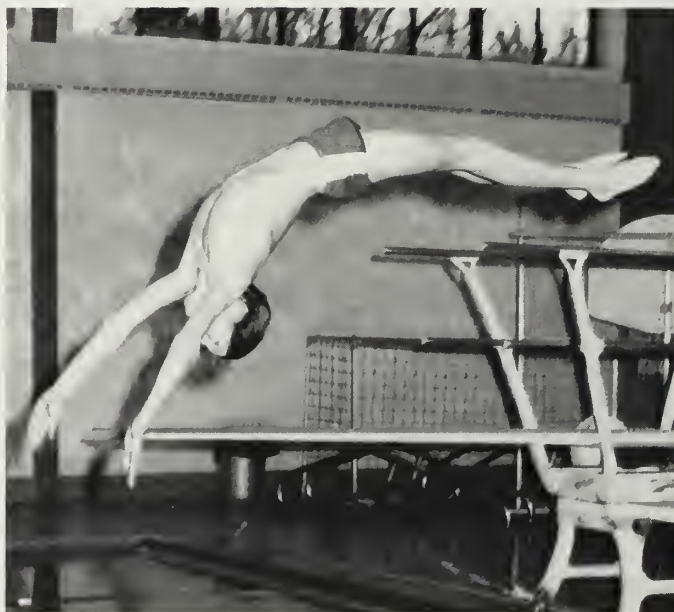

Despite a slow start at the beginning of the season with unexpected losses to New Bedford and Middleboro, the team finished strong with their victory over Milford.

Furthermore, it was at this meet where a new 400 free style relay record time of 3:48.6 was set beating last year's record by six seconds. This relay team consisted of this season's four highest scorers, B. Brawley, K. Cloney, S. Shaughnessey, and D. Roche.

In addition to those four, the swimming squad consisted of B. Gavin, S. Beaton, J. Curwen, and D. Glover. This year's diving squad consisted of Dan Dion with a high of 150 points, John Mason, and Matt Gellotte.

With the majority of the team being underclassmen, This year's diving squad consisted of Dan Dion with a high of 150 points, John Mason, and Matt Gellotte.

With the majority of the team being underclassmen, the team can look forward to an even stronger season next year.

This year was definitely one of rebuilding and the squad looks towards an undefeated season in 1980! Outstanding performers included Maura Fitzpatrick in the 500, Leslie Ferraro in diving, Karen Cloney in the 200 IM, and Fuzzy Flynn in the 50 and 100 freestyle.

BOYS' SPRING TRACK

Spring Track Team

In Westwood, the Boys' Spring Track has always been blessed with dedicated, enthusiastic, and talented athletes; this year the team, coached by Richard Hargreaves and Roger Cummings, took their renowned qualities beyond the Tri-Valley League and established themselves statewide.

As usual with track, it was a season filled with individual and team accomplishments. The team had a 6-1 league record. The team also won the Tri-Valley league relays, and for the first time in Westwood Spring Track history, the team captured the Class C State Relays. It was during these relays that Doug Crawford, Ken Martin, John Fannon, and Brian Fitzhenry broke the record in the shuttle hurdle relay.

In all, it was "a team" to remember. The list of personal achievements and records is endless for every member of the team had his own specialty to offer. There were several tracksters whose accomplishments were outstanding: Senior and co-captain John Fannon set a new record in the 330 low hurdles; senior John McDermott three the javelin a distance of 177 feet to establish a new record; Kurt Doursounian, another senior, participated in the state meet and placed fifth in a sprinting event and fifth in the long jump. The team of '79 was also lucky enough to have within its ranks the most awesome highjump combo in New England; Captain Dan Watson and Tom Lindemeyer were the two seniors who formed this incredible duo. They share the school record of 6'8". After placing in the state meet (Dan placed third and Tom fourth), they went on to compete in the New Englands where Tom placed first and Dan fourth.

Spring Track Team

GIRLS' SPRING TRACK

Beating Dover Sherborn ... holding the Class C relays ... leg lifts ... cooking hamburgers and hotdogs ... Hey la dee la dee la dee ... great cookout at Sanfo's.

Strong and experienced from winter track workouts, the girls went on with confidence to their outdoor season. Led by quad-captains Liz Towle, Julie Bishop, Maureen Donlon and Kathy Keefe, the girls won every meet except for Holliston and went on to tie for the TVL crown with Dover-Sherborn and Holliston. The field events improved immensely over the season with exceptional performances made by Liz Towle in the discus, Anna Schiavo in the javelin and Jean King in the shot. The running events improved as well. The combination of Chrissy Kelly and Don White struck fear into all their competitors' hearts. Jennifer Dresens ran superbly in the 880. Valerie Allen and Jane Mitchell in the 440 made another combination which was extremely hard to get by. Sophomore Susie Montambo showed a great deal of potential and strength in the 2 mile as did Lisa Eads. Maureen Donlon revealed her skill in the hurdles and the long jump and Linda O'Brien turned in great performances time after time in the 220. All in all, the girls enjoyed a great season and owe this to the fine coaching of Coach Sanfason and Coach Tucelli.

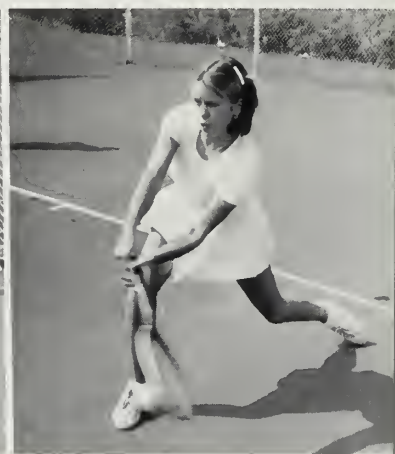

GIRLS' TENNIS

The girls' tennis team played a fine season this spring with a record of 16-2, placing second in the TVL. Losing only to Dover Sherborn (their toughest competition), the team worked its way up to the quarterfinals of the states. Led by co-captains Kay Montgomery and Betsy Ratto, the team was composed mainly of underclassmen who will be returning next year to play more great tennis. Outstanding performances were turned in by Nancy Procaccino who had a 15-1 record and was the number one player on the team, and the doubles teams of Jane Ratto and Claire McCoy and Jane Desisto and Kelly Carey who were first and second respectively. The team wishes to thank Coach Procaccino for her fine coaching and looks forward to more tennis next year.

The boys' tennis team did very well this season with a record of 17-3. With a team composed of mainly sophomores, their success this season may hint at future WHS tennis years. Outstanding performances were turned in by co-captain Jon Bain with a 10-3 record in singles. Al White and Ed Hanley with 15-3 and 16-2 singles records respectively, co-captain Tom Padell and Steve Fowler in doubles with a

record of 19-1 and Matt Gelotte and Scott Goodrich with a doubles record of 14-1. The team had six players on the league all star team, made it to the quarter finals in the state competition, and in general played fine tennis in each game. The team wishes to thank Coach Peden for his hard work and looks forward to more tennis next year.

Donna's golden glove (she's great) ... Lynne's beaming ... Kevin the Umpire ... Liz in Left ... the Medfield protest ... Foz ... will Janice ever know the signals?

Respectability was brought back to Westwood girls' softball as this year's varsity sported a record of 7-9, a marked improvement from the previous year. First year coach Nancy Blaisdell molded a young team consisting of three starting freshmen and only one senior into a solid unit as the season progressed and the team gained experience. The highlight of the season occurred when the girls won a formal protest over a disputed call in a game versus Medfield; thereby setting a precedent for the benefit of all girls' sports. Earning Tri Valley League All Star honors were co-captains Sue Fillipone and Lynne Walsh at third base and shortstop respectively, who along with Helene Walls as catcher, were also named Daily Transcript All Stars. The team wishes to thank Coach Blaisdell and looks forward to more softball next spring.

This year was perhaps the greatest season for Wolverine baseball yet! The squad finished their season with an 18-3 record which won them their second straight TVL championship. This was a team dominated by seniors who made consistent and outstanding plays throughout the season. Paul Gaughan and Mike Walsh were consistently impressive pitchers who stopped the best hitters the league had to offer. Pat O'Reilly, Dan O'Rourke, and Mike Fabiano played first, second, and third base respectively and

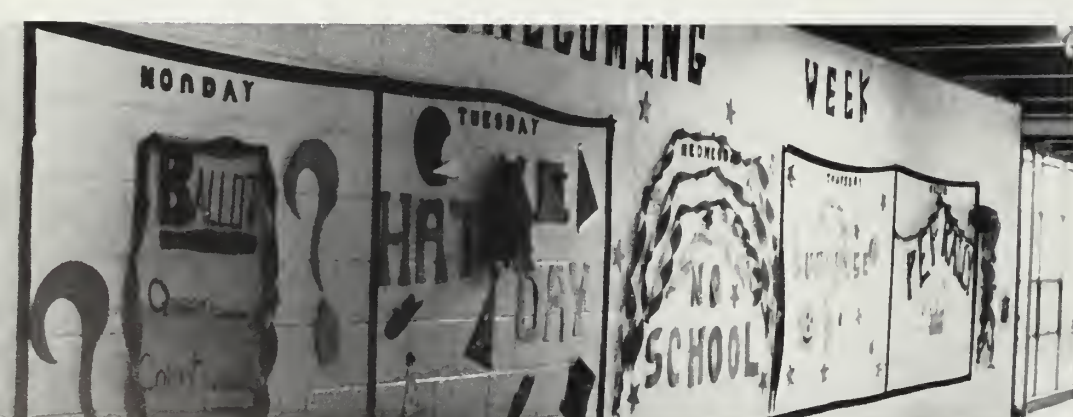

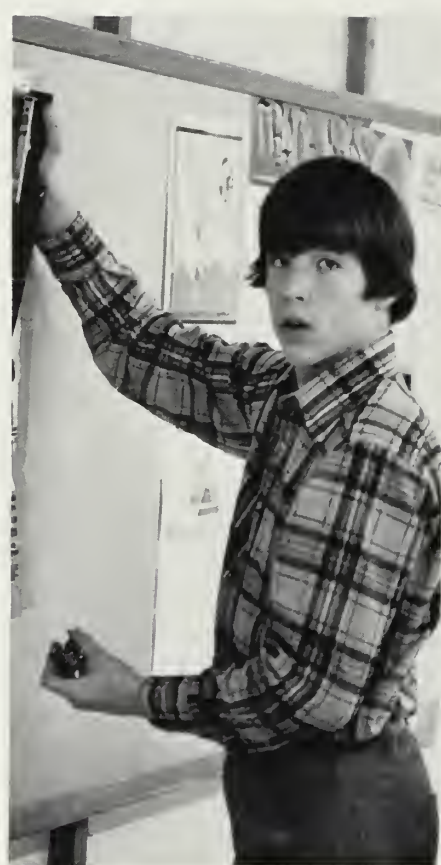

prevented opposing teams from scoring through determined and closely knit efforts. Their batting records also prove their value as hitters. The outfield which consisted of John Kenivan, Russ Scarlatta, and Paul McGovern caught anything which passed the basemen. They, too, were all great hitters. Brian Cappuccino had another fine season and Russ Scarlatta was probably the most valuable hitter on the team.

Junior Jerry Malloy pitched one of his greatest seasons and along with another

junior, Gary Guindon, made great contributions to the squad with their pitching and strong hitting. The united efforts of this team sent them as far as a chance at the Division II crown where the Wolverines were defeated by Boston Latin. Named to the TVL All Stars were: Dan O'Rourke, Pat O'Reilly, Brian Cappuccino, Mike Walsh, Paul Gaughan, and John Kenivan. Thanks to Coach Bonn for a great season!

We take pride in our achievements, both academic and extracurricular. We have tried to assume responsibility for our total education, and have discovered two sides of life that we can experience through Westwood High School. During the day, we have grown intellectually. When the final bell rings, we are free to pursue some of the many activities available to us, as we have scattered to become parts of teams, clubs, casts, and committees.

AFS

The American Field Service program has for many years played a prominent role in the lives of many students. In order to finance summer exchanges, the club has held money-raising events including the very successful International Dinner and the Barn Sale. The group sponsored for the first time a short-term exchange with New Jersey.

The 1979 exchange student was Kaoru Chikushi from Japan. Throughout her year at Westwood, her warm personality has brought happiness to her family and classmates. She has offered different views of the American lifestyle and has instilled in all a deeper appreciation of their culture. In her graduation speech, Ka expressed her thoughts: "AFS has brought me understanding of the value of the American culture which has brought a great benefit inside myself. I hope I have taught my family and friends something important and positive about the Japanese culture."

STUDENT-FACULTY FORUM

The Student-Faculty Forum, a group composed of teachers, administrators, and students, worked together to create an atmosphere of continuity within the school. Due to popular demand, the group brought back Ice Cream Day where several students served ice cream cones to hungry teachers, administrators, and students.

The Student Council, under the leadership of President Ed Huber, Vice-president Barb Clement, Secretary Betsy Gillis, and Treasurer Carmen Crocker, had its most successful year ever. The group established itself as a respected and influential club by sponsoring many activities such as the Chrstmas Raffle, Singing Telegrams, the

Easter Raffle, the Bloodmobile, exchanges with Norwood and Ashland high schools — and its greatest achievement, the highly successful and memorable Homecoming Week and Halloween Dance.

The Student Council has set a precedent that future members will follow, so it will continue to be as productive and successful as it

grew to be this year.

The group would especially like to thank Miss Judith Bolles for her continued support, advice, encouragement, but most of all her never-ending trust. With our sincerest thanks to you, Miss Bolles, we will never forget this year and all you did for us.

NATIONAL HONOR SOCIETY

Miss H. Joan Dillon
Advisor

The National Honor Society is an organization whose members are selected based on academic achievement as well as school and community involvement. This year the NHS, under the guidance of advisor, Miss H. Joan Dillon, helped guide confused parents on the evening of Open House at the high school. In November, the group hosted an exchange visit with members of the National Honor Society of Wellesley High. The students attended class at Westwood and finished up with a joint meeting to exchange thoughts and ideas. To raise money for the organization, students sold refreshments at various dances sponsored by other school organizations. On Valentine's Day the NHS sold personalized carnations which were available to both students and faculty. The members are particularly proud of the tutoring program conducted with several gifted elementary students from Martha Jones School, which allowed them to teach in a number of academic areas. The NHS enjoyed a progressive dinner and finished up the year with a candlelight induction ceremony for the new senior candidates and members of the National Honor Society of 1979-1980. The departing seniors wish the new members luck and extend their hope that the NHS experience will be as profitable as it was for them.

anything goes

The 1979 WHS musical, entitled **Anything Goes**, was a huge success. Boasting a large cast of both new faces and established talent, the musical delighted capacity audiences with three performances receiving much praise. The pit orchestra, directed by Mr. Sebastian Bonaiuto, added a perfect touch to the musical. The production could not have sailed so smoothly without the rigorous hours put in by actors and actresses as well as the large behind-the-scenes crew of makeup artists, prop managers, costume designers, and lighting experts all coordinated under the close watch of drama coach Miss Stephanie Shute.

Dirty Work In High Places

SENIOR CLASS PLAY

From behind the usual hustle and bustle surrounding all performances, emerged the polished and hilarious Senior Class Play, **Dirty Work in High Places**. The comedy, under the direction and advice of Miss Shute, and starring Jimmy McCafferty, Elise Goyette, Phyllis Gavin, Don O'Rourke, Lisa Rossetti, Ann Niakaros, Kenny Martin, Betsy Ratto, Mark Carver, and Gary Pisano, among others, required extensive rehearsals and prop and costume work, but the efforts resulted in a piece of drama deserving of a standing ovation, a play the Class of 1979 was proud to call its own.

MARCHING BAND

The Wolverine Marching Band had an exciting and successful year as they arrived home each weekend with another shining trophy. Among their numerous awards were the unforgettable Best Drum Line Award and First Place in Class B, both of which were won in the Norwood Competition. In addition to the many parades and com-

petitions, the band also won the pride of the town with their outstanding weekly half-time performances at the football games. The music consisted of two selections from the movie "Saturday Night Fever," as well as a medley of softer tunes and a very well played drum solo. The year was filled with success and pride for the marching band, which

was supported by the newly formed Marching Band Parents group. However, no one will forget the long, hard practices, the screaming, the laughing, the freezing, and the sweating. Without a doubt, it all proved worthwhile.

GREEN YEARS STAFF

The 1979 Green Years Staff hopes they have represented through their photography and essays what it is to have been a part of the Westwood High School community during 1978-1979. Westwood High students are unique, becoming involved in all aspects of their high school, both academic and ex-

tracurricular. We are proud to be able to capture a part of that lifestyle in the 1979 Green Years yearbook.

As editors, we would like to thank those diligent staff members who gave so much of their time to creating the best yearbook possible. Our most sincere thanks go to our advisor, Mr.

Charles Flahive, who guided us all through the entire process with his tireless optimism, encouragement, advice and plain hard work.

Only through the dedication of all those involved in the production of this yearbook have we been able to bring back some of the memories of our very special Green Years.

Fading pictures latch on to vivid emotions
of years better behind us
Of turmoil within, and painful growth throughout
Yet the remembrance of a friend or kiss
Seemingly long-forgotten
Bring back waves of feeling as strong
as they once had been
And the ache in your heart is like a real wound
Healing only as the memories fade.

You think back over the years.
Knowing once was more than enough.
Yet the ache in your heart
As you wonder where
Your once "best friend" now lives —
As the "remember when's" crowd your mind
You can't quite explain.

SENIOR CLASS BANQUET

April 11, 1979

Mr. Milan and his artists painted, cut and built. The Dance Band practiced, with the addition of Ken's "Free Bird". Mr. B. and all his classes decorated and arranged. The Green Years staff counted ballots and prepared superlative gifts. Jimmy impersonated, and the caterers cooked away.

All this in preparation for the singular Senior Class Banquet of 1979. A beautiful affair, worthy of the time and anticipation . . . something we will never, never forget.

Free Bird . . . roast beef dinner . . . Jimmy's impersonations . . . awarding the superlatives . . . Chris's dance, keeping up the Lund tradition . . . going to Lantana's and ending up at the Ground Round . . . a great night to remember with a special thanks to the Senior Advisors.

JUNIOR- SENIOR PROM

Blue Hills Country Club ... 6:00 p.m. champagne parties ... Marsels ... "What was the prom theme?" ... Queen Laura and her court ... "Always and Forever" ... being rained out the day after ...

The 1979 Westwood High School Prom, sponsored by the Junior Class of 1980, was a whirlwind success as the largest number of couples ever buttoned, laced, and

polished themselves into fashionable elegance to enjoy an evening of dining and dancing at the Blue Hills Country Club.

The annual event combined tradition with newfangledness: promgoers even witnessed their first "Worm" performed in tuxs.

The band, the Marsels, vocalized and boogied a convincing E. W. & F. imitation, and although the members pleaded temporary amnesia

when it came to a theme song, juniors expressed a desire that they return next year.

Celebrations spilled over into the wee hours at a number of small post-prom festivities. Many personally witnessed the dawning of the next day which, fortunately for some, proved dreary — a good chance to rest up after a fantastic occasion.

SENIOR CLASS TRIP(S)

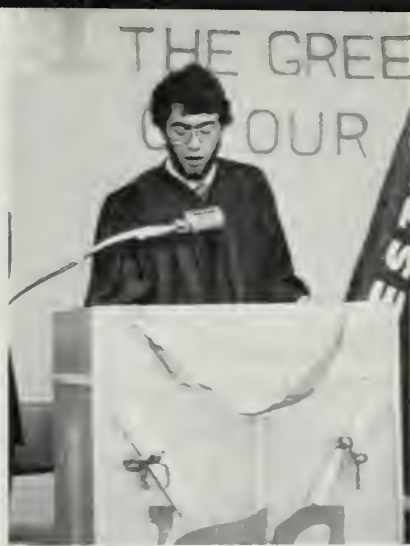

May 30, 31

Our class followed its tradition of doing things twice as we had two Senior Class Trips. We set out optimistically on May 30, but when lightning threatened to sizzle Mr. B.'s few remaining hairs, we decided to head for home. The next day, May 31, we cut our graduation practice short and zoomed off on a second attempt. The weather was great, the faculty stayed dry, and everyone learned how to eat lobster. We returned to Westwood a little sunburned, very full, and more unified as a class.

Frisbee, football ... pigging out ... watery chowder ... thunder and lightning ... tans, lifeguard intervention, attempts at submerging Mr. Milan ... sand sculptures and 8-foot holes ... 4 bus trips with singing trios.

CLASS DAY

280 very proud seniors filed into the filled and cheering auditorium to the patriotic strains of Westwood High School's song on Friday morning, June 1, 1979.

After a welcoming address by Class V. P. Ann Marie Kelly and several brief speeches by Mr. Kocina, Mr. Flaherty, and Dr. McNeil, the presentation of awards in areas both academic and athletic got underway. Class President Douglas MacPherson presented a check from the Senior Class to Mr. Kocina to be used in the best manner.

Following this, Japanese AFS exchange student Kaoru Chikushi thanked Westwood High for allowing her to experience the American culture during her year in the United States and urged the continuation of the AFS program in the town.

The Senior Class History was recited, and Green Years editors Kathy Keefe and Dianne Fleming announced the dedication of the 1979 Green Years yearbook to Mr. Peter Case, who accepted the honor amidst a standing ovation.

The Class of 1979 then left the auditorium to meet on the football field in practice for "the real thing" to take place Sunday, June 3, 1979...

A smile. A hug. A proud heart. Arms outstretched. A free spirit. The Class of 1979 assembled for one last time. Singled out, a boom of resounding applause ... This is the moment. Your whole being swells with radiant, elastic pride. Your head pounds as you reach out to grasp a representative of a lifetime ...

GRADUATION

GRADUATION

*"The reward of a thing well done
is to have done it."*

Emerson

*Behind you are achievements and
a lot of things well done,
Before you is a new world to explore ...*

*"To look with pride on every year,
To dream and plan anew.
To treasure friendships you hold dear.
To think and hope and do.
To love the beauty life imparts.
To know the joy of giving.
To hold a song within your heart –
This is the art of living."*

George Webster Douglas

GRADUATION DAY

*"Graduation Day ..."
a fond farewell to yesterday,
a warm welcome to tomorrow."*
